The book, "Your Family and Mine", opens with William Allen who married Martha C. Jones in Henry County, Virginia, 5 Dec. 1811. At the time that book was published the ancestry of William Allen and Martha C. Jones was not known. I now have definite information on both families which will be presented in this volume two.

There were more than one Allen family in Lunenburg County, Virginia, in the middle 1700's, including Luns Allen, Ruel Allen, William Allen, Drury Allen and Robert Allen, Sr.

William Allen, the grandfather of William Allen (see page one, "Your Family and Mine", was born in 1725 and died in Mecklenburg County, Virginia, in 1789, the year William Allen was born.

At first, William Allen lived in Cumberland Parish, Lunenburg County, Virginia. Later, the parish was divided and William Allen's home fell in St. James Parish, which became Mecklenburg County. He lived on the south side of the Meherrin River. His very large plantation was called "Lewiston". At one time the stage made Lewiston a stopping point. William Allen was quite wealthy and must have been a very good business man. Miss Hill, in her History of Henry County, Virginia, identifies Lewiston as the Dr. Brengle place in Henry County, but William Allen states in his will, "I, William Allen of St. James Parish". St. James Parish was located in Mecklenburg County and his will was filed in Mecklenburg County. Perhaps this can be clarified at some later date.

William Allen was twice married, and it has been stated that he was also married to a Miss Beverly and that they had a son Beverly, however, Mrs. Anna Allen Harris emphatically asserts this to be untrue. At least we know he was married twice and the father of twenty children, fourteen by the first union and six by the last. His widow married John Bailey in Mecklenburg County but later moved to Henry County, Virginia. They had one daughter, Tabitha, who married a Traylor.

In the early days in Virginia it was a custom to leave a will making disposition of the property and etc. Luckily, William Allen left a will which tells us a great deal about his family. Since wills of this sort are somewhat uncommon today it is my belief that this item will be most interesting to his descendants. It is to be found in Mecklenburg County Will Book Number three, page fifteen. A copy of this will was furnished me by Mrs. Anna Allen Harris, a descendant of Robert Allen, eldest son of William Allen and Ann Smith, his second wife.

In the name of God Amen. I William Allen Sen. of St. James Parish of Mecklenburg County being sick and weak in body but of sound and perfect memory do make, constitute and ordain this my last will and Testament revoking all former wills by me made. Imps. I leave all that I am Possessed with together till my just debts are honestly paid and then to be divided as shall hereafter mention.

B. H. H.

I then lend to my dear and loving wife, Ann Allen, all my land on the west side of Mountain Creek during her natural life with six negroes namely: Susie, Bob, Jacob, Salley, Vina, Winny and Carter, with six cows and calves with two two-year-old bulls with one half of my hogs; with all my household and kitchen furniture, except one bed and furniture with one black mare and one horse by the name of Rolley, with one side saddle with my riding saddle with seven head of sheep with seventy five barrels of corn to raise my six youngest children dividing amongst them their equal part of all but the land as they come of age and when the youngest child comes of age it is my desire that the rest that is left be divided between my dear and loving wife AnnAllen, and my youngest child and after my wife's decease it is my desire that the land should be set up and sold to the highest bidder giving twelve months Ct. and be equally divided amongst my six youngest children, namely: Robert Allen, Susanna Allen, Joseph Allen, Pines Allen, Ellen Allen, Fanny Smith Allen, but in case any of my youngest children should die then it is my desire that it should be divided amongst the rest of my last wife's children to them and their heirs forever.

Item: I give to my son Pleasant Allen all the land below his spring branch on the east side of Mountain Creek between the said creek and Drewy Allen's line to him and his heirs forever.

Item: I give to my son Grey Allen a sorrel horse colt and twenty pounds cash to him and his heirs forever.

Item: I give to my daughter Dolly Allen one bed and furniture and twenty pounds cash to her and her heirs forever.

Item: I give to my daughter, Mary Allen, five shilling sterling to her and her heirs forever.

Item: I give to my daughter Elizabeth Burnett, five pounds cash to get her a suit of clothes to her and her heirs forever.

What other things I have not yet willed away, namely, five negroes and my land not yet willed away, I leave to be equally divided amongst my children as I shall hereafter mention except five pounds cash which I shall hereafter mention the rest to be divided amongst Turner Allen, Drewy Allen, Lucy Morgan, William Allen, John Allen, Darling Allen, Martha Jarrott, Young Allen, Pleasant Allen, Meredith Allen, Gray Allen, Dolley Allen, my son Drewy Allen, I leave five pounds cash more than his equal part with the rest of them and their heirs forever. Lastly, I nominate and appoint Isaac Johnson, Drewy Allen, and Elisha Arnold to be Executors of this my last will and testament to see this will executed in witness whereof I hereunto set my hand and seal this fourth day of February one thousand seven hundred and eighty nine.

Not too much is known of this early family. Turner Allen died in Lunenburg County, Virginia, in 1800 and left a will. Martha Allen Jarrott remained in the immediate vicinity. Meredith Allen moved to Henry County, Virginia, where he died in 1829 and left a will. His family will be recorded farther on in this work. Also the family of William Allen and Jones Allen. Ann Allen, widow of William Allen, married John Bailey in Mecklenburg County, Virginia, and later moved to Henry County taking her six small children. Mrs. Anna Allen Harris wrote me that the first wife of William Allen, Sr. was Mary Lewis but Cornelius Tacitus Allen of Kentucky, a descendant of William Allen, states she was a Jones. Since the name Jones has been used so many times for her descendants, it is my candid opinion that she was a Jones. It may be she was related to Peter Jones of that vicinity. Further research will be necessary to obtain proof.

Thus ends my record of the earlier Allen families. Further research, no doubt, would reveal many more of the descendants of the Senior William Allen. Perhaps someone reading these pages will know that they are of the same family and will make themselves known. Some of the known families have neglected sending in their information which means that their names will soon be forgotten by their posterity. Much credit is due those who have responded so freely.

The second line above should read "their names will sooner be forgotten, etc."

The following information was received too late to be included in Vol. 1 of "Your Family and Mine, Descendants of William Allen", therefore I am including it in this supplement, or Vol. 2, as I had promised. Check the index to Volume One for reference to ancestors of these families.

This brings to a close my recording of the Allen family for the present. Further information on these families is earnestly solicited. Address all communications to John R. Martin, 1914 North 4th Street, Saint Joseph, Mo. I will be most happy to record your births, marriages and deaths in my master record for future reference. Will also try to answer all inquiries concerning the family, however, at the present, all my available information on the first William Allen, of Mecklenburg County, Virginia, is contained in these two volumes of "Your Family & Mine, Descendants of William Allen".

* * *

I would like to take this opportunity to thank each and every one who in any way have contributed towards the furnishing of the information shown in these two volumes. If enough interest is shown in the work, perhaps a third volume can be published at some future date.

To know your ancestors is to better know yourself. Preserve these records because some day they will be priceless to your descendants. Add to your book from year to year and make the necessary corrections that your record will be more complete. You cannot live unto yourself because you are a bundle of your ancestors. It has been aptly stated that "He who remembers not his ancestors does not deserve to be remembered by his posterity." You grandfathers and grandmothers of every succeeding generation, gather your children and grandchildren around you and explain to them their lineage as contained in these books that they may know and better appreciate their Heritage. Your ancestors were real, let us remember them with love and veneration....John R. Martin.
